

ADDENDUM #1

RFI-2021-OCOM-01-MEDIC

Medicaid Program Integrity Data Analytics and Case Tracking System

On December 30, 2020, the New Hampshire Department of Health and Human Services published a Request for Information (RFI) to solicit information regarding data analytics services and products that analyze Medicaid claims data and assist in the detection of fraud, waste, and abuse.

The Department is publishing this addendum to:

1. **Delete and replace Section 6, Notices, Subsection 6.2, RFI Timetable, with the following:**

6.2 RFI Timetable
